

Is something the matter?

Hurt
Oh, well...

Good morning!

Hehe...
That was a good sleep!

I'm sure
really happy!

This is the
first time I've
tried with a
bunch of
people, going
to bed and
waking up
together and
all.

She's right.
We're gonna
be together
all the time
from now
on.

No need
to be so
serious...

Really?

Y-You think
so?

What?

Is that
it?

It's not
that
big a deal.

Well, that's
because...

Chips
don't
eat...
worms.

Though it
looks like
you're already
at ease with
Chips.

W-Well...
the same goes
for me, too.

Me
too...

It's my
first time,

SHE

MOMENT

HA-HA-HA!

sound like a
blanket!

1. Are You Really Incapable as a Teacher?

IT WAS
A CALM
AFTERNOON

THE SKIES
WERE BLUE
AND THE WIND
UNTRACKEABLE

YET,
FOR SOME
REASON,

IT FELT LIKE
SOME INVISIBLE
DOOR WAS
OPENING.

LIFE WAS
DOING SOME-
THING FORSA-
DEN,

Ku...

LIFE WAS
TOUCHING
UPON SOME
VERY DARK
SECRET...

Ro...

U...

?

YAY!

I think I could
control my body's
flow

Fine,
an one
condition.

No com-
paring at
my resting
on 4 night.

Now,
let's
begin.

Firststep,
place your
index fingers
on this spot.

then empty
your minds of
all other
thoughts and
focus on
what you want
to know.

Shadows and
spirits, hear
my plea.

Kukuku,
Kukuku,
come to me.

Shouldn't
you heed
my humble
call,

pray,
answer
that I ask
of thee.
